*integrating healthcare*

## **Physiotherapist Position Available**

Be part of a multidisciplinary team that prides itself on individualized, client centered care which incorporates manual therapy, exercise prescription and multimodality treatment. Maple Health Care & Rehab is an established (20 yrs) integrated health care clinic in Vaughan that has a great reputation. We are very active in the community and pride ourselves on delivering expert care. You will have the opportunity to work with an experienced staff, while treating a diverse orthopaedic caseload. Mentorship with a Part A (Intermediate Level) therapist is available. We offer competitive wages, commensurate with experience and availability.

Permanent part-time position available, starting May 2010.
